Resilient UCSF: Recovery Update - June 18, 2021
Policies are Building & Location Specific

Expect Separate Communications from UCSF Health, UCSF Fresno, ZSFG, Benioff Children’s Hosp. Oakland

- As we ramp back up, and in some cases re-open, there will be policy differences
- Some policies will only apply to the campus buildings and some policies will only apply to Health buildings
- UCSF Fresno and UCSF are aligned on most policies, but there will be some nuances
- These policies don’t generally apply to Benioff Children’s Oakland, ZSFG, VA
- When not sure, please ask at your site or location
- Daily health screening is here to stay
New Badge-In Policy Coming Soon

UCSF Policy Update for July 2021

- Coming soon, a new policy to require badging in at your primary work location at the start of your shift
- This is not a timekeeping measure
- This will help UCSF to know how many people are coming on site daily for work
- Only applies to sites with a badge reader available; more will be installed at high density leased locations
- If so inclined, find the badge reader you would use daily once the policy is effective
- Currently voluntary until policy is completed and bargained
Dots and Stickers - Please Get Yours!

Occupational Health has Your Stickers - Includes UCSF Fresno

- Voluntary vaccination stickers/dots can be worn on your UCSF ID Badge when you work on site
- Displaying stickers will give your colleagues reassurance about our high vaccination compliance
- Pick up your stickers at:
  - UCSF OHS sites during business hours (check OHS website)
  - Park Room COVID Vaccine Clinic at Parnassus - Tue PM, Fri AM
California Re-Opening
UCSF is Aligning with Policy Updates - Ongoing

- Governor's reopening orders effective June 15, 2021
- In addition, many health directives rescinded by various governing authorities last weekend
- UCSF is reviewing each policy one by one and updating as appropriate
- Expect policy changes weekly for the next several weeks; COVID Digest
- Cal-OSHA approved new standards on June 17; lifts 6’ physical distancing requirement; stay tuned as we adjust to this development
Events at UCSF
UCSF COVID-19 Policy Update for July 1, 2021

- Effective July 1, 2021, UCSF will lift all special COVID-19 event and meeting approval requirements, including on-site academic courses and events.
- You do not need to submit approvals for any events planned after June 30.
- Departments will approve events and meetings in the same manner as handled pre-COVID.
- ROC will pivot to providing support and advice, as requested by departments.
- Applies to all campus indoor and outdoor facilities; Health will announce rules for events in its facilities.
Domestic Business Travel

UCSF COVID-19 Policy Updated May 10, 2021

- Vaccinated individuals no longer need to get Dean’s Office, ROC, or special approval for domestic business travel
- Follow the pre-COVID travel policies for your department
- The policy for unvaccinated individuals has not changed
- The policy for international travel has not changed
Outdoor Mask Wearing
UCSF COVID-19 Policy Updated May 10, 2021

- Vaccinated individuals no longer need to wear a mask outdoors, except in certain situations at UCSF:
  - Shuttle stops
  - Approaching our buildings (30’)
- Recommended to carry a mask with you just in case you need it
- You should wear a mask if the situation warrants - YOU have control
- Guidance will be updated as needed
Indoor Mask Wearing
UCSF COVID-19 Policy Update Expected - June / July

- **UCSF indoor** mask wearing rules have not changed yet
- Given recent Cal-OSHA changes, we will now consider indoor masking policy changes for vaccinated individuals in **non-patient care buildings only**
- If changes are made to move to **voluntary** mask wearing, they will be communicated in the COVID Digest
Research Density
Update in Density to Normal Operations Effective June 18, 2021

- Today, UCSF returns to 100% research density
- 6’ distancing for employees has been lifted
- New rules focus on unvaccinated workers continuing to wear masks - honor code
- N95s are available for use by unvaccinated staff
- Please stay tuned for changes on indoor masking for vaccinated individuals
Kalmanovitz, FAMRI, and Fresno Libraries
UCSF COVID-19 Policy Update Effective July 6, 2021

- The Kalmanovitz library is currently open to students
- The library will open to 100% capacities, including faculty, residents, and staff on July 6, 2021
- Fresno and FAMRI libraries open on July 6, 2021
- No general public at this time
- Indoor masking still required (except while eating) until indoor masking policy is updated
Shuttles
UCSF COVID-19 Policy Update Effective June 8, 2021

- Shuttle density restrictions have been lifted
- Masking still required on shuttles and in shuttle lines
- No eating or drinking on shuttles
Campus Dining & Retail

Coming Soon
More UCSF COVID-19 Policy Updates Expected Soon

- UCSF Health updates for the clinical and hospital environment
- Vaccination policy updates
- New rules on indoor mask wearing for campus buildings
- Mask guidance for unvaccinated employees
- Campus visitor and guest policy updates
Take Care. Be Kind. Stay Safe.

- Do not ask the vaccination status of people you don’t know
- Please avoid confrontations
- Carry a mask for yourself; you have the control with your own masking
- Don’t assume vaccination status because of a mask or any other indicator; many will still want to mask
- Let’s be proud of our high vaccination rates, low infection rates, and live our’PRIDE Values - now more than ever
How to Find Updates
